wires when they were questioned for their action, they replied t at it was departmental orders and they were carrying out the same Janab Abdur Rahman Khan suggested that either the Electrical departrent staff should be asked to instal the main line in such a manner that they would not disturb the trees on the Engineering department should be asked to plant the trees far away from the overhead electric main

FOR COMMISSIONER

Resolution passed at the Adjourned Meeting of the Corporation held on 11th October 1951

96 Recommendation of the Standing Committee (Taxation and Finance) dated 23rd August 1951, and of the Standing Committee (Works) dated 30th July 1951, that a sum of Rs 6,000/- be re-appropriated for Tree Planting Drive Vanamahotsava for the year 1951-52 from out of the Budget allotment under "V Remunertive Enterprises, 5 Land Development- Buildings- Orignal works" and also Mayor's note in the matter

Sri H S Seetlaram moved the following resolution -

"Resolved that the recommendation of the Standing Committee (Taxation and Finance) dated 23rd August 1951, and of the Standing Committee (Works) dated 30th July 1951, that a sum of Rs 6,000/- be re-appropriated for Tree Planting Drive Vanamahotsava for the year 1951-52 from out of the Budget allotment under "V Remunerative Enterprises, 5 Land Development- Buildings- Original Works" and also Mayor's note in the matter, be approved "

Sri C Rajagopalachar seconded the resolution

Sri M Rangaiah Naidu ಸಡಗರ್ನ್ನು ಬೆಳ್ಳಯಿಸುವುದು ಆಕ್ಷೇಪಣೆಯ ಆದರೆ ಈಗ ಹಾಕಿರೆಕರ್ನ ಆಜ್ಞೆರನೆಗಳ್ಲು ಬೆಳ್ಳಯಿದೆ ಹಾಗೆಯೇ ಬಂದಿಕ್ಕೋಗಿರುವುದೋ ಅಥವಾ ನಾಶವಾಗಿರುವುದೋ ನಮಗೆ ತಿಂದು ಬರುತ್ತದೆ ಕ್ರೋಢಿಕರಿಸಿಗಮನ ಕೊಡುತ್ತಿಲ್ಲ ಆವರಿಂದಿನಪಕ್ಷಿಗಳ್ಲು ಹಾಕುವುದಕ್ಕೆ ಬದಲು ಕೆಂಚಿಗಳ್ಲನ್ನು ಹಾಂದರೆ ಬೆಳೆಯಿಸಿಂಜನಸ್ಥಿಭಾವನೆ

Sri D Thamarai Kannan remarked that he was surprised to see that even in the days of reasoning and in the 20th century, they were thinking of having Vanamahotsava, when they take the other side of the picture it was a failure The sum of Rs 6,000/- spent for Tree planting was a waste and it could be well utilised for any other useful purpose by way of providing amenities to the poor people in the limits of the Corporation It was unnecessary to have Vanamahotsava The ratepayers of the city should be given proper amenities and they should be driven in the right path They should drop the Vanamahotsava

The Commissioner replied that there had been certain misapprehension with regard to the use of the word Vanamahotsava A sum of Rs 128/- only was spent towards expenses in connection with the celeberation of Vanamahotsava The major portion of the amount out of Rs 6000/- was required for purchase of seedlings and for providing tree-guards Provision had also been made for appointing 10 malies for about six months during summer season for looking after the plants and to supply them with necessary equipments for the proper maintenance of the plants which were planted by the Corporation If at all Bangalore and Mysore were known for their beauty, it was on account of their parks and gardens and as such the Corporation should not grudge in spending a little amount towards planting fresh plants every year and assured that the expenditure so incurred would be to the great benefit of the Corporation

Janab G Abdur Rahman Khan pointed out that the Corporation was spending a good amount of plantation of trees There were no two opinions regarding the utility of these trees If the trees planted were taken proper care of, they would give beautiful shade and would also beautify the whole town On one side the Corporation went on planting trees and on the other side the authorities of the Electrical Department were cutting down the trees periodically on the plea that they were interfering with the overhead electric wires on the roads If the trees came in contact with the overhead electric wires, the Electrical department staff should only cut off the branches of the trees that came in contact with the wires and not the trees themselves On many occasions he had seen the coolies of the Electrical department chopping of the major portion of the trees on the plea that they came in contact with the main wires
